

## Main Street Crestview Association Conflict of Interest Policy

To maintain the integrity of the Main Street Crestview Association and its mission, board members must disclose any potential conflicts of interest. A conflict of interest exists when a board member has a personal, financial, or professional interest that could interfere with their ability to act in the best interest of MSCA.

All board members agree to:

- Disclose any actual or potential conflicts at the earliest opportunity.
- Abstain from discussion and voting on matters where a conflict exists.
- Submit an annual conflict of interest disclosure form.

Failure to comply with this policy may result in disciplinary action, including removal from the board.
